About the Training Program

For most people the idea of standing in front of a group of people to speak can be a terrifying thought. To most, it can be the most difficult part of their jobs.

This 2 days course will guide participants through a journey of communication and techniques that will enhance their presentation skills. They will know the major differences between verbal and non verbal communication that involves eye contact, gesturing, voice exercises, etc. They will know how to take their audience through a journey by knowing the art of signposting and the basic presentation structure used in business.

- ✓ Becoming a Confident Communicator
- ✓ Develop Professional Presentation Skills
- ✓ Develop Personality and Quality in Presenting
- ✓ Understand Effective Presentation Structures

Suitable for general staff from all departments and all levels of management.

For up to 10 to 25 participants.

Conducted in person (face-to-face)

Pre-Training Assignment

Participants must think of a topic to present during the training:

- Preferably Work-Related.
- No need to prepare content.
- Should be a topic frequently presented.

Course Description

Step 1: Self-Analysis

This section have the participants analyze their strengths and weaknesses by VDO recording. They will also know the basic rules of pitching. It is required that participants send in their 1 minute introduction VDO prior to training.

Step 2: Types of Public Speaking

This section will go over the different types of public speaking and knowing what situations are suitable for each type.

Step 3: Effective Introductions

The first half day of the training will be focused on presentation structure and content development. Therefore in this part, all participants will be asked to select a presentation topic and develop an introduction. They will also practice presenting it in groups.

Step 4: Impactful Bodies

In this part, all participants will be asked to develop their presentation bodies. They will also practice presenting it in groups.

Step 5: Memorable Conclusions

In this part, all participants will be asked to develop their presentation conclusion. They will also practice presenting it in groups.

Step 6: Mastering Persuasion

In this section the participants will do a self-analysis test to see how persuasive they are. They will also know the basic elements of persuasion.

Course Description

Step 7: Communication

This section will be a tense hands on session of practicing the concepts of verbal and non-verbal communication skills. They will do workshops in breakdown groups to enhance their speaking skills and body language.

Step 8: Final Full Presentation

This will be the final section where the participants will do their final presentation while applying what they have prepared and learned throughout the training. Once completed, we will review their presentation to see how they have developed.

Step 8: Optional Post -Training (1on1 Sessions)

25 Participants will arrange a 20 min 1 on 1 session to go over their final presentation clip.
Duration: 1 Day or 2 Days (depending on number of participants).

Number of Sessions: 25 sessions

About the Speaker

About the Speaker

Pachara Yongjiranon or Billy is currently the Managing Director of SpeakPro Training Co., Ltd, which specializes in corporate training in areas of presentation, pitching, sales, and communication. He is well-known in the start-up community for coaching and training pitching skills to many start-ups within Thailand. He has been a part of many programs such as Seedstars, TrueIncube, Spark Accelerator, Digital Ventures, Deep South Innovation Business Coaching Program, etc.

About the Speaker

Apart from the start-up community, he has a wealth of experience in training both in-house and public for many local and multinational organizations such as FWD Thailand, Allianz Technology Thailand, SC Assets, etc. He believes that effective learning comes with hands-on practice by participants. His goal is to give high-quality experiences related to communicating, presenting, sales, and other soft skills.
